

Epsilon Sigma Phi

Your Key to Professional Excellence

Dear Extension Professional:

Have I got an opportunity for you! How many times do we hear that and think "Oh no! Not another telemarketing scheme!" As Extension professionals, we really are bombarded with opportunities to be members of Associations. This is NOT another "scheme"! So why should you consider becoming a member of Epsilon Sigma Phi? The top 11 reasons to be an ESP member (according to many members):

11. We are planning a really good annual membership meeting September 1—and you WON'T want to miss it!
10. An abundance of professional and personal development, programming, and leadership opportunities.
9. The interdisciplinary nature of Epsilon Sigma Phi and the great networking opportunities.
8. A Strong network of mentoring and recruiting!
7. Broad based recognition, awards, and scholarship programs. (REALLY great awards for members!)
6. Everyone is equal.
5. ESP represents all Extension employees and is our voice on a national level.
4. ESP envisions the whole of what Extension is and could be.
3. ESP is a strong, diverse organization
2. It is the one organization that includes ALL Extension professionals.
1. The Alpha Delta Chapter needs YOU! You will make a great addition to this organization.

How to join?

We need your intent to join today and your dues not later than December 1, 2009. We will take them later, except that you won't be eligible for awards and scholarships this year. Dues are \$70.00 for new member and renewing member is \$60.00.
